Who are we?

Domaining Americas

The first ever held in South America, this event will focus on the Americas ccTLDs and domaining in general. Network with the most recognized experts on the subject and the holders of the most finest and memorable domain names around the globe. Brazil is the most prominent country in South America with about 4 million .br domains registered, making it one of the largest ccTLDs sold in the world.

This magnificent event could not take place without the support of our sponsors. Not only do they make the event possible, but thanks to their generous contribution, it makes it the most enjoyable occasion as well.

I want to personally invite you to attend the 1st. DomainingAmericas. Enjoy the beautiful city of Rio de Janeiro and grow your internet business connections. You won't want to miss this event .

Who attends the event?

The event will convey people from all around the globe such as: investors, startups, e-commerce companies, registries, registrars, registrants, hosting companies and basically... all top-notch internet gurus.

Amazing keynotes, panel discussions, sessions and social events will fill this weekend, in a once in a lifetime opportunity.

You'll be elbowing with worldwide industry leaders while delighting yourself with a sweet *Caipirinha*. In a city, where every day is a festivity, we could not let the fun out of our event! So, join our After Hours Party; where you'll have the opportunity to network and mingle with the top players in the field... and maybe sing a couple of *Copacabana stanzas*.

Attendee ticket prices range from early bird rates of **\$275 to a final door price of \$699**
